If the Employer elects to use the facilities of the Union to recruit job applicants he shall advise the Union on the prior day, the number of employees needed, the specific job applicants requested, and/or the qualifications and skills of job applicants whether or not specifically requested.

4. The rights set forth herein are not exclusive, but merely indicate the type of matters or rights which belong to and are inherent to management.

It is the purpose of this Article to provide that where a Local Union party to this Agreement has established a Fund jointly trusteeed by Labor and Management, then said contributions shall be paid to said Local Fund in the amounts hereinafter set forth in this Agreement. An annual financial report will be submitted to the AGC from each local union benefit fund to which AGC employers contribute.

- (b) The Employers party to this Agreement accept the Trustees now serving on such Fund and hereby waive the right to name new, other successor, or additional trustees, except that the parties agree that one (1) Union Trustee and one (1) LRD/AGC Trustee shall be appointed to the (Upstate) Laborers Regional Training Fund.

2. The Employer agrees to contribute the amount per hour hereinafter set forth in Article XXVIII for each actual hour worked, except where an employee is paid pursuant to the 1+ actual hours worked clause herein provided for at Article XI of this Agreement, in which case contributions shall be paid on the same basis as the 1+ actual hours worked clause.

3. Each Local Union party to this Agreement shall be considered as an Employer under this Agreement for the purpose of paying the contributions mentioned in this Article on its Employees.

4. (a) In the event that the Employer does not make contributions to the Fund as provided for herein, the Employer agrees that he will be charged with all necessary litigation and accounting expenses incurred by the Trustees of the Fund in collecting the monies due hereunder and that a money judgment may be rendered against such Employer for such litigation and accounting expenses in addition to a judgment for unpaid contributions.

(b) Litigation and accounting expenses shall be determined so as not to be in excess of the minimum fee schedules for the legal and accounting professions in the area in which such work is performed.

5. (a) Each Employer shall furnish the Trustees of the respective Funds with periodic reports as required by the Fund showing the names, social security numbers, hours worked, and location of job of each employee performing work covered by this Agreement.

(b) Subcontractors covered by Article XIV, Section 3 shall remit contributions on a weekly basis.

(c) In the event that no workers are employed during the report period, a negative report and/or a final report shall be filed.

payrolls. Inspection shall be restricted to a verification of payments made and/or due to the Fund. Cost of such inspection shall be borne by the Fund, except in cases where an Employer is delinquent in making contributions, in which case the delinquent Employer shall bear the cost of inspection and audit. Delinquency is defined as continual late payments and not honest errors.

ARTICLE XVIII - LABOR-MANAGEMENT COOPERATION

The Employer and the Union recognize that they must confront issues of mutual concern which are more susceptible to effective resolution through labor-management cooperation than through the collective bargaining process. To seek resolution of these mutual concerns, to address issues regarding health and safety, and to advance mutual interests through labor-management cooperative efforts, it is agreed that the Employer shall contribute to the New York State Laborers-Employers Cooperation and Education Trust and to the New York Laborers' Health and Safety Fund for the term of this Agreement, including any extensions or renewals thereof. The Employer shall contribute to the New York State Laborers-Employers Cooperation and Education Trust as provided for in Article XXVIII for each actual hour worked. The Employer shall also contribute to the New York Laborers' Health and Safety Fund as provided for in Article XXVIII for each actual hour worked. The Employer shall submit all contributions and all contribution reports to the designated Laborers' Local Fund Office. The Fund Office shall promptly forward the contributions and contribution reports to the Laborers Regional Office, Trust Division, for the accounts of the Trust and Fund. The Employer and the Union hereby adopt and agree to be bound by the Agreement and Declaration of Trust establishing the New York State Laborers-Employers Cooperation and Education Trust, as amended, as well as the Agreement and Declaration of Trust establishing the New York Laborers' Health and Safety Fund, as amended.

2. Watchmen are employees on projects requiring A coverage under Item 619 (Maintenance and Protection of Traffic) and such employees are covered by only the following provisions of this Agreement: Article VI, Sections 1, 2, 3, 9(a), (b), and (c); Article VIII Article XIV, Sections 2 and 3; Article XV; Article XVI Article XVII Article XVIII Article XXIII Article XXIV and Article XXVII

Time and one-half (1-1/2) shall be paid for hours worked in excess of forty (40). Overtime for watchmen shall be computed only on hours worked as a watchman without regard to hours that such man shall have worked on the project as a laborer.

ARTICLE XXII ARBITRATION

1. During the term of this Agreement, neither party shall order or permit any lockout, strike, or other work stoppage or slowdown. Further, the Union will not aid, support or permit unauthorized strikes, slowdowns, or work stoppages by its members.

2. **Grievance Procedure:** All grievances or disputes involving any controversy, dispute, or misunderstanding arising as to the meaning, application, or observance of any provisions of this Agreement shall be handled in the manner hereinafter set forth. It is agreed that all matters pertaining to the interpretation of this Agreement must be referred directly to the Joint Committee; provided that if a grievance has not been filed, the matter shall not be a subject of arbitration until a grievance is filed.

Step 1. All grievances must be made known in writing to the other party within seven (7) calendar days after the reason for such grievance has occurred. The aggrieved employee's or employees' shop steward or another authorized representative of the Union shall first submit a written grievance to the Job Superintendent, or his duly authorized representative. The Shop Steward or another authorized representative of the Union of the Employee or the Employees involved shall be present at any meeting between the Job Superintendent and such employee or employees. The Job Superintendent or his duly authorized representative must make a written disposition of the matter within twenty-four (24) hours after the submission of such written grievance thereto.

Step 2. If the disposition of the matter by the Job Superintendent or his duly authorized representative is not satisfactory, the matter must be taken up by the Business Agent, and representative of the Employer with authority to act within forty-eight (48) hours of the written disposition set forth in Step 1.

Step 3. If the disposition of the matter in Step 2 is not satisfactory, either party has a right to file its grievances with the Joint Committee referred to in Section 2 of

this Article within seventy-two (72) hours after Step 2.

The Joint Committee shall consist of three (3) representatives of the Employers and three (3) representatives of the Union. All meetings of the Joint Committee must be attended by each member or his alternate, but the absence of any member or alternate shall not invalidate the action of the members of the Joint Committee who are present.

It shall be the function of the Joint Committee to settle disputes and grievances which cannot be settled in accordance with Steps 1 and 2 of the grievance procedure. The Joint Committee shall formulate rules of procedure to govern the conduct of its proceedings including the time, date, and place of meetings.

A decision by a majority of the Joint Committee shall be final and binding on the parties and employees involved. Failure of either party involved to comply with any final decision of or to submit to the jurisdiction of the Joint Committee shall give the other party the immediate right to all legal and economic recourse.

4. Rights of the Joint Committee: The Joint Committee shall have the right to investigate all facts pertaining to the dispute. The Joint Committee shall, upon each dispute or grievance processed in accordance with this Article after completion of or as a part of Step 2, have the right to examine time sheets and any other records pertaining to the computation of compensation of any individual or individuals whose pay is in dispute. Both parties shall be entitled to present such evidence and witnesses in support of their position as they see fit.

5. Arbitration: If a grievance cannot be satisfactorily settled by a majority decision of the Joint Committee, the grievant shall request a list of seven (7) arbitrators from (1) the panel arbitrators of the New York Board of Mediation; (2) the Federal Mediation and Conciliation Service, or (3) the labor panel of the American Arbitration Association for final and binding decision. Such request shall be no later than fifteen (15) calendar days from the date of the oral announcement of the Joint Committee's decision, by the grievant or his duly assigned representative. Further, any arbitration agency named shall be used only for every third arbitration that may arise between the parties to the end that arbitrators be selected on a rotating basis in the order in which the agencies are hereinabove listed. The arbitrator shall be selected by alternately eliminating names from the seven (7) person list until one remains; the grievant or his representative shall strike the first name. Upon failure to comply with the provisions of this entire section on the part of the grievant, the grievance shall be deemed to have been closed without decision.

The arbitrator shall not have jurisdiction or authority to add to, modify, detract from, or alter in any way the provisions of this Agreement or any amendment or supplement thereto. If the arbitrator should determine that the grievance is not covered by this Agreement, he shall return the grievance to the parties without decision and the

grievance shall be closed. In such case, the costs, if any, shall be borne by the grievant.

6. Violations concerning wages, hours, and all fringe benefit payments shall not be subject to the grievance procedure. In such cases, the Union shall give three (3) working days notice to the Employer that the Union will withdraw its men from the Employer's service. If the Employer contends there is a question of fact regarding the alleged violation, he may file a grievance within the aforesaid three (3) working days with a copy to the Local Union and a copy to the Co-Secretaries of the Committee. When a grievance has been filed, there shall be no work stoppage pending resolution of the grievance pursuant to Article XXII(2)(3) and subsequent provisions of this Article. Work jurisdiction, that is, disputes with respect to whether one group of employees or another group of employees shall perform certain work on the project is expressly not arbitrable under this contract.

7. Any discharged employee may file a grievance no later than four (4) days after discharge by a written notice submitted to the Project Manager or Superintendent and the Local Union and such grievance shall be immediately processed in accordance with the steps of the grievance procedure.

8. The administrative costs of the Joint Committee shall be borne equally by the Employers and the Union.

9. The costs of arbitration, which shall include the fees and expenses of the arbitrator shall be borne by the Company in case its principal contention is rejected by the arbitrator, and by the Union in case its principal contention is rejected by the arbitrator, except, however, that each party shall pay the fees of its own representatives and witnesses. Any dispute as to whose principal contention is rejected shall be determined by the arbitrator. In the case that both parties' principal contention is upheld in part, the arbitrator shall designate what part of the costs are to be borne by which party according to the relative merits of each party's position.

10. The Union and Association expressly agree that the Contractors, present and future, who comprise the multi-employer bargaining group, do not subscribe to, are not a part of, nor are they to any extent bound by the Impartial Board for the Settlement of Jurisdictional Disputes or the rules, regulations, or procedures of the Impartial Board for the Settlement of Jurisdictional Disputes.

AGC of New York, Laborers Negotiate Highway Contracts Covering 3,800 Workers

Negotiators for the Associated General Contractors' New York State Chapter Inc. and eight Laborers' International Union locals have reached agreements--some final, some tentative--covering approximately 3,800 laborers performing highway work in the state, according to association and union sources.

The parties have a tentative agreement with Laborers Local 210 in Buffalo, a ratified contract for five years with six upstate locals, and a ratified pact for two years with Local 35 in Utica.

The AGC chapter also reached a tentative contract with Buffalo-based International Union of Operating Engineers Local 17 on a three-year agreement providing \$4.75 more over term. A tentative settlement between the parties April 8 ended a strike by 1,000 or so union members against AGC-represented highway contractors in the Buffalo and Jamestown areas that began April 1 (69 DLR A-6, 4/10/02).

In addition, the AGC chapter and the Empire State Regional Council of the Carpenters and Joiners of America in Hauppauge have conducted initial talks for one new agreement covering highway work in New York outside of the New York City area, Gordon Knapp, Carpenters regional director, said April 9. Approximately 800 Carpenters are working under an extension of two agreements with the AGC state chapter that expired March 31, he said. Current hourly rates under the extended AGC agreement with Carpenters Local 281 in Johnson City are \$23.07 journey level wage and \$6.705 employee benefit fund contribution total. Current rates under the extended AGC agreement with Carpenters Local 66 in Olean are \$20.635 journey level rate and \$7.91 employee benefit fund contribution total.

Laborers Local 210 in Buffalo and AGC negotiators reached a tentative contract April 4, Ted Czerw, assistant managing director of the state chapter, said April 8. The tentative, three-agreement would provide successive increases of \$1.25 per hour (3.8 percent more), \$1.25 per hour (3.7 percent more), and \$1.30 per hour (3.7 percent more), he said. The current total wage and employee benefit fund contribution rate under the pre-existing contract between the parties was \$33.86, he said.

Laborers Local 210 officials could not be reached for comment. Local 210 represents approximately 1,800 workers on highway projects.

However, new first-year rates will not go into effect until July 1, Czerw said.

In addition, AGC and Laborers Local 35 in Utica have settled for two years, according to a union source.

The upstate agreements cover approximately 2,000 workers, according to Bill Shannon, Local 214 business manager who participated in the negotiations. The settlements are fair agreements, he said.

The new contract provides successive annual increases of \$1 per hour (3.7 percent more), per hour (3.6 percent more), \$1.25 per hour (4.3 percent more), \$1.25 per hour (4.1 percent more), and \$1.25 per hour (3.9 percent more), Czerw said.

Total wage and benefit fund contribution rates under the prior agreement between the parties were \$27.09 for Zone I (Locals 7, 35, 433, and 589) and \$26.84 for Zone II (Locals 186, 214, and 322), according to Czerw.

Members of Local 214 have not yet ratified the proposed agreement, Shannon said. Although a union membership meeting is scheduled for April 8, allocation may not be determined until next month, he said. Prior rates for Local 214 members are \$19.09 for the base rate and \$7.55 for the employee benefit fund contribution total, he said.

Members of Local 186 ratified the agreement March 28, a Local 186 official said April 8. Union members debated allocation of the first-year, \$1 per hour raise with some members wanting the entire amount applied to wages and others wanting the amount split between wages and benefit fund contributions, he said. Ultimately, the union decided for an even split with 50 cents going to wages and 50 cents going to the health and welfare fund contribution, he said.

New hourly rates for Local 186 are \$19.99 base wage (50 cents increase) and \$4.65 health and welfare fund contribution (50 cents more). Other employee benefit fund contribution rates were carried over at \$2.35 per hour for the pension fund, 40 cents per hour for apprenticeship and training, 10 cents per hour for the Laborers-Employer Cooperation and Education Trust, and 5 cents per hour for safety, he said.

Two-Year Agreement for Utica Area

For Local 35 in Utica, the two-year agreement calls for \$1.35 per hour more for wages and benefits in the first year and 95 cents per hour more the second year, a Local 35 official said April 9.

The initial \$1.35 per hour increase will be allocated on July 1 as 75 cents to the base wage rate, 35 cents per hour more for the health and welfare fund contribution, 20 cents more for the pension fund contribution, and 5 cents to inaugurate an annuity fund contribution, he said. Those increases will raise the base rate from \$19.25 to \$20 per hour, the health and welfare fund contribution from \$3.65 to \$4 per hour, and the pension fund contribution rate from \$3.59 to \$3.79 per hour, he said.

Other benefit fund contribution rates will carry over at 15 cents for a combined LECET and safety fund, and 25 cents for apprenticeship, the official said.

Laborers Local 35 members approved the agreement at a membership meeting in March, he said. ☐

Note to files K 8993 and 8470

Early in 2002, LIUNA Local 35 was transferred from the Central New York Region to the Albany Region. As a result, it was agreed between the AGC and LIUNA that Local 35 would be covered under K 8993 and be removed from K 8470. The enclosed memorandum of agreement between the parties authorizes the change as of **April 1, 2002**. As it also states, Local 35's wages will change to those of Locals 157 and 190 effective **July 1, 2002**.

Mr. Sam Marchio
Business Manager
LIUNA Local 35
112 South Street
Utica, NY 13501

Dear Sam:

As you know, negotiations were recently concluded between the Central New York Region LRD/AGC and LIUNA Locals 7, 35, 186, 214, 322, 433 and 589. It was brought out during negotiations that Local 35 was being transferred to the Eastern District Council of Laborers which includes Local 157 Schenectady and Local 190 Albany. It was understood and agreed that Local 35 could transfer from the Central New York agreement to the Albany Region LRD/AGC agreement at the appropriate time deemed best for Local 35.

K8470

Local 35 has chosen to become part of the Albany Region LRD/AGC agreement and has the consent of the LRD/AGC to do so.

Therefore, effective April 1, 2002, Local 35 will be bound by the terms and conditions of the 2000-2004 Agreement between the Albany Region LRD/AGC agreement with LIUNA Locals 157 & 190 and effective July 1, 2002 will have the same gross wage rate as Locals 157 & 190. Concurrently, all reference to Local 35 will be stricken from the newly negotiated April 1, 2002 - March 31, 2007 Central New York Region LRD/AGC agreement with LIUNA Locals 7, 186, 214, 322, 433 and 589.

Sincerely,

Theodore J. Czerw
